Caves Valley was built with the sole dedication to protect and preserve the game of golf. The course was designed by Tom Fazio to capture the excitement and character of the magnificent land that it sits on. The variety of holes from the elevated ridge line at the clubhouse, to the gently rolling front nine with the large lake areas on holes #3 and 4 to the tree-lined "strong" holes of the back nine, with great finishing on holes #15 thru 18, offer one of the finest experiences in golf. #9 and #18 end each side with strategic driving requirements and then once on the green, suggest that careful putting is essential to finish!
