The 15th

The 16th

The experience of playing the Quarry Course is enchanting and extraordinary. Beginning with the elevated tee shot on the 424 yard 1st hole, the front nine redefines golf in Florida. Dramatic elevation changes classic bunkering and fairways framed with live oaks, dogwoods, myrtles and magnolias, highlight this stunning course. On the front 9, the two par 5's exemplify the beauty and challenge that awaits the player. Breathtaking is one word that calls to mind the 13 thru 17th holes on the Quarry, carved over and around canyon walls, these holes combine the challenge of shot making with awesome views. And the 17th a 218 yard par 3 drops down into the 2nd quarry to a green guarded left and rear by limestone cliffs and it looks from the tee like it is from another world and another time!
