No 8 419 yards par 4	No 17 391 yards par 4
No 9 193 yards par 3	No 18 452 yards par 4

The North Course is a prairie-links style course with a par of 70 and it covers 6,358 yards. The North is an exact opposite to its big brother, the South Course, in that its terrain is somewhat flat and although the elevation changes are evident, it is the green complexes and bunkering that define this fun and competitive course. The routing on this short but narrow course is exact and one must keep his concentration in order to score.
