

## Shoreacres

Est. 1916

*"Raynor's masterpiece, on the Shore"*

A Seth Raynor masterpiece, Shoreacres sits on the shore of Lake Michigan and naturally, the lake winds create havoc when blowing, most notably on 6-8-9-14-16-18. The course features dramatic Raynor greens and the bunkering is perhaps the most exquisite of any of the Raynor courses. The elevation changes plus the Lake breezes, create a special golfing experience. Perhaps the most unusual hole is #5 which features a 85 yard long green, which in the end makes the hole play from perhaps 125 to 225 yards! 16-17-18 are four great finishing holes ranging in yards from 521 to 438 to 355 to 552. Hold on to your hat in order to finish at Shoreacres.
