A "Ross Gem", Essex's course routing offers views from spots that are so spectacular, the player could lose the concentration needed to get it in the narrow fairways. From the opening hole to #18, Essex County offers every shot to the player and a short game is more than essential. No 3 at 623 yards is the longest par five in Massachusetts and plays longer. The varied elevations create shots, that unless having been played before, will befuddle the player upon first look! And don't forget your putter as the greens are Ross at his best, small pin spots to small greens.
