Out 3416 yards par 35
In 3738 yards par 36
Total 7154 yards par 71

The genius of Stanley Thompson is never more evident than his 1928 creation of St. George's among the Top 100 in the world. Steep with elevation changes and imposing trees, an architect's dream, combined with magnificent par 4's and dangerous par 3's, offer a special layout that tests the player with many nuances of the routing, fairways that offer little relief and the complexities of the greens.
