

"a Unique Golf Experience"  
1991

The Pine Barrens Course is a visually stunning blend of native terrain and golf course design. Named for the many pine trees that line its length, the acclaimed layout is sculpted from an expansive pine forest with surprising and dramatic changes in elevation. The large fairways framed by expansive untamed waste bunkering create a unique golf experience. The finish -14 thru 18 - offer every shot in the book, mandating risk and reward, and above all patience.
