## ARCADIA BLUFFS

*"Majestic Layout"*

1999

Arcadia is built on the bluffs above Lake Michigan and sits on over 245 windswept acres of lakefront property. The course drops 225 feet from its highest point down to the bluff, 180 feet above sea level and the shore frontage of the course is almost 3200 running feet. Arcadia resembles a seaside links course, with rolling terrain and windswept natural fescues throughout. Players will be reminded of their favorite hole at Lahinch and Ballybunion, while enjoying the breathtaking views of Lake Michigan from all points on the majestic layout. This Henderson/Smith design offer players a golfing experience unlike anything in the US. Perhaps the 13th @240 yards par 3 says it all-- Hit when the wind is resting!
