The 5th

The par 70, 6835 yard A.W. Tillinghast design- often called "Tillie's Treasure"- is frequently mentioned when accomplished golfers are asked to name the best course in the Metro NY area. Quaker Ridge has been ranked by Golf Digest as high as 20th in the U.S. The tree lined fairways accent the special route created by Tillinghast. Each hole is shows its own prowess with its curves and typical Tillinghast bunkering..the par 3's 5-9-10-13 offer different shots from each tee and the green complexes are ..well, complex. With only 2 par 5's- 1 and 14, the player must bring a good iron game in order score. Birdies are a rare commodity at Quaker Ridge.
