Coldstream's championship tee offers 7081 yds. of length around doglegs, onto narrow fairways, and over ponds to challenging par 3's. Changes in elevation on the land present to the player, a variety of second shots to the greens which can display unique pins on over 165,000 s.f. of putting surfaces. The name "Coldstream" signifies defense, and from the excellent manner in which Dick Wilson has guarded the greens, a good short game is essential!
