A favorite among the PGA Tour professionals, the Copperhead Course is the most recognizable of Innisbrook's four Tampa, FL courses. After all, it plays host to the world's greatest golfers during the PGA Tour's annual visit to the resort for the Valspar Championship presented by BB&T. Tree-lined fairways and rolling terrain define the course – a lengthy challenge for even the longest hitters at more than 7,300 yards. Striking in beauty and challenge, the surrounding lakes and ponds are home to abundant wildlife, including fox squirrels, bald eagles, alligators, blue herons, and many other types of water fowl. With the fairways and greens mostly free of residences, Copperhead provides the opportunity to enjoy golf the way nature intended.
